# 2023 WELLNESS PROFESSIONALS FORUM

The FOP Wellness Professionals Forum brings together professionals working primarily in the mental health and wellness fields for a day of learning and networking. Presented by the National Officer Wellness Committee, this Forum will include an introduction to FOP wellness initiatives, seminar instruction in working with law enforcement in the wellness arena, and a networking event for attendees.

## Who Should Attend

Licensed professional counselors, psychologists, or other professional mental health clinicians currently treating law enforcement or first responder clients. We also welcome professional clinicians interested in learning more about successfully working with law enforcement clients.

Attendees of the Wellness Professionals Forum will have the opportunity to also attend the 2023 Wellness Summit at a reduced rate. This is an excellent opportunity for wellness professionals to get firsthand experience networking with active and retired law enforcement.

## Cost

- The seminar fee is **\$100 per person**
- If you attend **both** the Wellness Professionals Forum **and** the Wellness Summit, the **Professionals Forum** decreases to **\$75** per person
- Deadline for registration is **January 9, 2023**
